

Life in Colorado ~ Defined

17435 Furrow Road

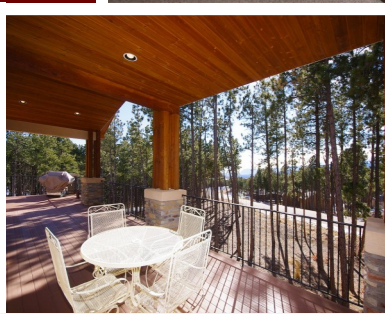

A Comfortable Lifestyle Awaits You...

This custom home embraces you with its beautiful design, outstanding features, and great floor plan. Sitting on 2.68 pristine acres with trees and panoramic views of Pikes Peak and the front range, this newer one-of-a-kind rancher offers 5 bedrooms, 5 bathrooms, 3 ½ car garage plus an approximately 900 square foot workshop with a walkout and private paved driveway.

- ◇ Impressive Great Room with vaulted ceilings, fireplace & walkout to covered deck.
- ◇ The large gourmet kitchen offers a spacious island with a veggie sink, gas cook top, double ovens, stainless appliances including a built-in refrigerator, walk-in pantry & a nook overlooking the mountains.
- ◇ The oversized main level master has a sitting area & walkout, and the luxurious bath has a fabulous jetted tub with a large window overlooking the trees. There is also a 2nd main level master with handicap access & a ¾ bath.
- ◇ The walkout basement offers a full kitchen/ wet bar with dining space, large family/ recreation room, theater room, 2 bedrooms with a Jack n Jill bath plus another bedroom with a ¾ bath, and a sauna.
- ◇ Additional features include: Extensive hardwood floors, approximately 1,100 square feet of no-maintenance covered and uncovered decking, workshop with a walkout plus stairs from the main level garage, fabulous professional landscaping, and so much more.
