

Luxurious Home Nestled In Wissler Ranch

**Spacious 4.21 Acres
with Trees and Privacy
Offered at Only
\$559,900**

Wake up to the delightful morning sunrise and wonderful combination of privacy and comfortable living in this lovely custom built ranch style home. The welcoming layout features a gourmet kitchen with new slab granite countertops and separate nook with a beautiful 2-way stone fireplace and hearth that opens into the spacious great room with vaulted ceilings and built-ins. The main level also offers an office with French doors, luxurious master suite with corner fireplace, guest bedroom with walk-in closet, and a nice formal dining room. The newly finished walkout basement has room to spare with a cozy recreation room with fireplace, 2 bedrooms, wet bar, storage room, and craft room. Enjoy the serene retreat of the backyard with a redwood deck, hot tub, and peaceful views to the east of ranch land and rolling hills. Extensive hardwood floors, air conditioning, and professional landscaping complete this beautifully maintained "one-owner" stucco and stone home.
